PROFESSIONAL EXPERIENCE

CRM Manager - Hike Education Pvt. Ltd. | Jun 2023 – Present

- Optimized Salesforce & LeadSquared CRM with automation (lead scoring, chatbots, pipeline tracking), improving process efficiency by 35–40%
- Built executive dashboards and reports for sales and marketing leaders, enabling real-time, data-driven decision-making
- Gathered, documented, and managed 30+ business requirements, ensuring CRM enhancements aligned with business objectives
- Led and coordinated a team of 4 to deliver CRM enhancements, integrations, training, and documentation, driving 30% higher user adoption
- Setup of salesforce marketing cloud for smooth email marketing.

Business Analyst - AlignTogether Solutions Pvt. Ltd. | May 2022 – Oct 2022

- Managed 4+ client accounts and configured 6+ LeadSquared CRM instances
- Delivered BRD, FRD, user stories, and functional documentation for CRM & digital projects
- Executed digital marketing campaigns, increasing engagement by 25%
- Improved website performance by 70% via SEO and reduced defects by 20% through testing & automation

KEY PROJECTS

Digital Marketing & CRM Integration – HubSpot, Salesforce & LeadSquared

- Defined end-to-end lead tracking and attribution logic
- Impact: 40% improvement in lead conversion efficiency

Business Requirements & UAT Delivery

- Led requirement elicitation, process mapping, UAT execution & sign-off
- Impact: High system adoption with minimal rework

LeadSquared CRM Development – Client Sales Growth Project

- Built and customized a LeadSquared CRM implementation for a client from the ground up, configuring lead workflows, pipeline stages, and automation to match their sales process
- Impact: Helped the client increase sales by 25% through improved lead nurturing and pipeline visibility

CRM & Sales Tooling Setup – UK-Based Client (Pipedrive, Zapier, Calendly, OnceHub, JustDial)

- Set up and customized Pipedrive CRM end-to-end for a UK-based client and integrated Zapier for cross-tool workflow automation
- Configured Calendly and OnceHub for automated meeting scheduling, and set up JustDial for inbound/outbound calling, delivering a fully connected lead-to-meeting workflow. Setup of predictive dialing makes the work easier for them.
- CRM setup for proper email marketing and keeping the connectivity with potential leads.
- Impact: Owned setup and delivery independently, streamlining lead capture, scheduling, and calling into a single connected system

EDUCATION

MBA – Marketing & HR (72%) | NRI College, Bhopal | 2022 – 2024

B.Com (Computer Applications) (65%) | BSSS, Bhopal | 2019–2022
